The librarian may also be contacted if you wish to *copy a relevant chapter* of a book rather than borrowing an item.

All books and DVDs are available for loan for a period of three weeks. We will send them for the cost of postage (not available outside Australia), providing a quote for postage.

For those articles that are not freely available, *requests* may be made and we will aim to source articles via Interlibrary loan. You are welcome to visit and view our collection. The collection is available to all with access via phone, fax, mail, email or in person (please contact the librarian prior to visiting).
